I am Is-ra - el! Now and for - e-ver; now and for - e-ver; now and for - e-ver,

I will wait for Yah - weh. My heart has not been proud. My mouth has not been loud.

22

My life to You is vowed. My knees are bowed. My eyes are closed to sin:

my thoughts and where I've been. My strug-gles I will win: I shall gain the cloud.

34

Now and for - e-ver; now and for - e-ver; now and for - e-ver, We are Is - ra-

41

49

Yah - weh. Our minds are stayed on you; our spir-its prayed to you; our prayers are

pure and true and e-ver new. Our temp-era - ments are calm: And like a sooth-ing balm

We feel this sa-cred psalm; sung un-to you.
